

# The Herald and News.

Entered at the Postoffice at Newberry, S. C., as 2nd class matter.  
E. H. AULL, EDITOR.

Friday, June 9, 1916.

At the request of Senator McLaurin The Herald and News prints his reply to the State and also the editorial of the State to which he replies. It is no controversy of ours but we feel that he is entitled to a hearing. We can see no good, as we have aforesaid, in raking up these old matters and referring to things in the political history of the State that we had just as well let remain buried. Mr. Evans started the ball, however, by referring to Mr. McLaurin as "a discredited politician" and now that both have been heard we hope that we can deal with live issues.

The Herald and News has recently received a letter from Atlanta which conveys the pleasant news that Mr. J. Epps Brown who has been very ill for several weeks has recovered and hopes soon to have better health than he has enjoyed in many years. He is a Newberry boy of whom we are all proud and we hope some time in the near future to see even greater honors come to him. He is now general manager of the big Bell telephone system and if his life is spared, as we hope it will be, he will some time in the future be the real president of the big system.

Solicitor Cooper has filed his pledge and paid his assessment as a candidate for governor. This should allay all doubt as to whether or not he will be in the primaries the coming summer.

We regret our inability to get to the press association meeting this year. We know the boys are having a good time and we wish them mighty well.

## MR. T. B. GRENEKER

Mr. Thos. B. Greneker, who has been appointed clerk in the office of United States Senator B. R. Tillman in Washington, is a nephew of Mr. R. H. Greneker of Newberry, formerly with The Herald and News and now with The Observer. The Herald and News congratulates the young man on this fine appointment. We know he will make good. For the past two sessions he was a professor in the Greenwood schools. He is a graduate of Wofford. Until the first of July, at which time he will assume his new duties, he will fill the office of clerk to the United States attorney in Greenville. He resigned his position as teacher to study law at Georgetown university and will begin his course in connection with his duties for Senator Tillman.

## Death of Mrs. J. E. Norwood.

This community was saddened and shocked on Thursday morning when it was announced that Mrs. J. E. Norwood had died. She had been sick only a few days, but almost broken down with hard work incident to the tasks in the school room, and then when the children of her neighbor were taken sick she was the good ministering angel who watched by their side until she had to go home and take her bed from which never arose her system being too weak to resist the ravages of the disease. If it be true, as we believe it is, that service is the life of success, then Mrs. Norwood did not live in vain, because hers was truly a life of service, and she went about it in an uncomplaining and cheerful manner as it were a pleasure, and we believe it was. Her duties in the school room as teacher in the schools of Newberry had not ended before she announced that she would take pupils during the summer to coach. Besides her other duties she wrote the social news for The Herald and News and did it well.

Mrs. Norwood was a loving and true wife and a devoted mother. Before her marriage to Mr. Norwood she was Miss Rhea Daggett of Wilmington, N. C., and she is survived by her husband and three sons, J. E., Jr., John and Daggett and two brothers and one sister.

The funeral service will be con-

ducted this afternoon from the residence at 5 o'clock by the Episcopal minister and interment will be had in Rosemont immediately after. She was a devoted and consistent member of the Episcopal church.

## Church of the Redeemer.

(Rev. Edward Fulenwider, pastor) Nothing preventing, the following will be the program of divine services at the Lutheran Church of the Redeemer next Sunday.

10:15 A. M. The Sunday school meets. Let all the teachers and scholars be present.

11:15 A. M. The hour of worship. The pastor will preach on the subject, "The Finest Emblem of the Power and Influence of Jesus in the World." Is there a sure proof that the power of Jesus Christ is being felt in modern life? Has God placed anywhere in the world of nature an emblem that so portrays this power that even the child can grasp it? Do you know that Jesus Himself used one of the most common things of the world to express the power of his influence in one of the most beautiful passages of literature the world has ever known? 8:30 P. M. Union service. Sermon by Rev. Babb.

I was glad when they said unto me, Let us go into the house of the Lord.

George D. Brown, State supervisor of mill schools, will go to Asheville Friday, where he will speak before the South Carolina Cotton Manufacturers' association, which will be in session Friday and Saturday. ## A Very Pleasant Day.

One of the most enjoyable occasions of the season was the barbecue given by the Ladies Aid society of Trinity church on Friday, June 2 in the beautiful oak grove of Mr. E. L. Paysinger. Quite a large crowd gathered to partake of the excellent dinner which was cooked by a reliable old cueist, Mr. Bunyan Epting. Every one present enjoyed the day very much. The most enjoyable feature of the day to the ladies was the realization of quite a nice little sum to be used in remodeling the church.

Thanking every one for coming out to help a good cause.

Soap and water alone, make hard washing. The best housekeepers nowadays use borax.

Borax is a real little sister to soap. It makes the soap go further. It softens the water and loosens the dirt for the soap to attack.

"20 Mule Team Borax Chips" are soap and borax combined in just the right proportions for effective laundry work. You need them.

## THE CITY PARK OPENS NEXT TUESDAY EVENING

The park will be formally opened next Tuesday evening at 8 o'clock. The band will play and some one will be invited to make a talk and the ladies will serve refreshments for the benefit of the park. The refreshments will be in charge of the civic association. Let every one in town go out and help the park and make it an ideal place. It takes a little money to run it and to keep everything in good shape and they propose to raise a little of this money by giving you a return for your money.

Anderson Mail.

Mr. Dominick is an able attorney of Newberry, and is well known throughout the district. He made the race for congress two years ago, and was in the second primary election with Congressman Wyatt Aiken. He received a splendid vote in both primaries, and his friends declare that he will do even better in this summer's election.

Soon after the present State administration went into office Mr. Dominick

was appointed by Attorney General Peoples as assistant attorney general, and he filled this office ably and satisfactorily. He represented the State in many important cases, and was generally successful.

Mr. Dominick, as leader of the Blease force, played an important and prominent part in the recent State Democratic convention. He was the spokesman for the Blease forces, and by his utterances and consistent fight for their principles, won the admiration of many people. As a result of his work in the convention many well informed politicians declare that he was made stronger with the people and that this will be shown when the campaign opens up and the votes are counted.

Mr. Dominick has a strong per-

sonality and is generally liked by all the people. He is magnetic, and has a strong following of close personal friends, who are going to exert themselves in his behalf in the coming campaign.

## Received a Good Vote.

Anderson Intelligencer. In this issue of The Intelligencer appears the card of Mr. Fred. H. Dominick announcing that he is a candidate for congress from this district.

Mr. Dominick needs no introduction to the people of Anderson county. Two years ago he was in the race and added much interest to it, receiving a very handsome vote. He was assistant attorney general for a time and only a few months ago resigned from this position.

Mr. Dominick is a prominent attorney of Newberry and one of the most widely known men in this section of the State. He has been a frequent visitor to Anderson and has many staunch friends and admirers in this county as well as in the entire district.

## Needs No Introduction.

Farm and Factory, Seneca.

In this issue of Farm and Factory appears the card of Mr. Fred H. Dominick, announcing that he is in the race for congress from this district. He was formerly assistant attorney general of South Carolina and is considered one of the best lawyers in the State. He is a member of the law firm of Dominick & Workman of Newberry.

Mr. Dominick needs no introduction to the people of this county. Two years ago he was in the race and received a flattering vote. He is an effective campaigner and his candidacy will add interest to what promises to be an interesting race.

## A Friend in Need.

McCormick Messenger. Mr. Fred Dominick is a candidate for congress from the Third district and solicits the support of the people of McCormick county. He gave up his place as assistant attorney general to enter the lists for congress, to gratify a worthy ambition and serve the people in the national legislature. He is well known to some of our people, having rendered valuable service in behalf of the new county, without money and when ever he was called on—a friend in need and a friend indeed.

## Fully Competent.

Pickens Sentinel. The announcement of Fred H. Dominick as a candidate for congress appears in The Sentinel today. Mr. Dominick is well known in this county, having been in the second race with Mr. Aiken two years ago. He was for several years assistant attorney general of this State, but resigned some time ago in order to make the race for congress. He is fully competent to fill the position to which he aspires.
